Morning:1

Warning blood and cuss words.

Leafy:I woke up and felt something weird it feels like someone is watching me??
Leafy stretches and went and look outside after that she then look back at the time it was 4 am and that was weird
She couldn't find the person who was staring at her so then she grabbed a flashlight and a pepper spray she looked outside again
And couldn't find the person who was staring at her so then she went back to sleep but still felt weird but she wouldn't understand
Who was outside and put headphones and went back to sleep so she won't be that scared.

She went back to sleep and then a couple few hours later her alarm went off it was 7 am and then she looked outside and nobody
Was there it was quite weird but she just shrugged it off she found out there wasn't school for some few days so then she
Message her best friends and saw a lot of notifications in the gc.

Leafy pov: lmao wtf why is there so much notifications? I just woke up and just saw that much hm
I wonder what's happening?

Leafy went and checked the gc and saw ruby and flower were planning on something but wondering who was it for?

Leafy:why the fuck is there so much notifications?💀
Flower:oh heyyyy leafy! Oh it's bc we are planning abt something
Ruby:just tell her dumbass
Flower:okay okay so um uh I have a crush and it's lo-
Leafy:lollipop I guess?
Ruby:yeah flower is just so inlove with her lolly wolly
Flower:shut up period ass gem

Leafy:oh um that's nice,anyways YALL guess what!
Ruby and flower:what is it!?
Leafy:I woke up at 4am and I felt something weird! and I felt there was someone watching me so then
I went and looked outside and there was nobody there and even I had my flashlight! So then I went back to sleep and I still felt something weird?..

Flower:omg really?! That's so crazy did you even looked everywhere?
Leafy:yeah! And there was nobody there..and then I tried looking everywhere and there was nobody there!
Ruby:nah you actually fr? I'm actually so scared right now like what if there was a stalker? Just looking at you?
Leafy:nah cuz who the fuck will just stalk at me anyways bye y'all!! I'll call you guys later and just do my things!
Ruby:take care girlfriend!
Flower:bye bye girlypop!

Leafy pov: after I got off I went to the kitchen and made some breakfast after I ate my breakfast I got some notifications from pin? But I didn't mind but it was really off bc she would always wake up very late like at 1 pm bc she would would sleep at 2am and wake up at that time but really I just seemed surprised and look at her messages and said "hi leafy! < 3 what are you up to?"
I messaged her back "oh hey pin pin! I'm doing nothing right now! But I was abt ti call flower and ruby!"

Leafy was talking with pin for some time meanwhile with pin..

Pin:aw that little leaf will never know that I was the one who was outside < 3 how stupid but cute of her trying to find me..pin said in the most flirty way that she could possibly be.

Leafy:oh shit I forgot to ft flower and ruby!

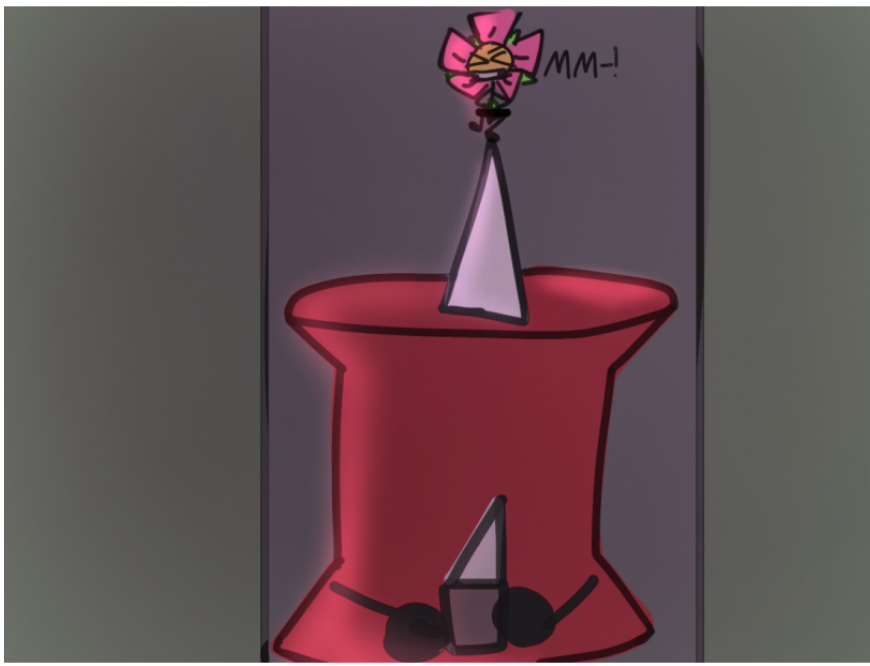
She went to the gc and saw ruby kicked flower out and she was really surprised bc Ruby and flower were literally bff and talked to ruby.

Leafy:hey ruby why did you kicked flower out?
Ruby:oh um! Uhh she was um kinda mad at us! Yeah she was mad.
Leafy:yeah but like why that's nit a good reason Yk she gets mad at

us a lot of times?
Ruby:oh yeah she just! Didn't want um to like uh-
Leafy:just tell me ruby! What is it.?
Ruby didn't reply but did read it was kinda weird seeing that..but later that ruby made a gc with lollipop? Leafy was confused And didn't know what was gonna happened she was worried what was gonna happen.Lollipop wanted to call leafy and she was really confused.

Leafy:Hey lollipop! What do you need rn?
Lollipop:where is flower? She hasn't replied to me I tried calling her and she wouldn't answer and she hasn't read my messages!..
Leafy:wtf that happened to me too but I didn't message flower bc I didn't want to disturb her and I saw ruby kicked flower out in the gc! And ruby wouldn't tell me..? And she was literally worry and wouldn't tell me..?
Lollipop:ikr bc flower would always call me the exact time like every day she would call me at 4pm and I'm concerned that something is happening with her like if she wanted a break she would say something to us Yk?
Leafy:yeah! It's so weird flower and ruby are acting different Yk?
Lollipop:yeah but gelatin doesn't know what's happening but I don't want gelatin to like know what's happening and I'm
Hope that flower is gonna be okay I'm literally like worried abt her and ruby hasn't talked to me..or reply with me.
Leafy:yeah but ruby did talked to me and didn't talked to me,and as well with flower she is like strong right she literally can kick the ass out of my stalker if she could but I'm literally don't know what's happening with flower and today has been good and bad today..

Lollipop and leafy were talking abt the thing is happening for abt 7 hours..and talking abt theories what is gonna happen soon meanwhile they didn't who was doing these things...meanwhile with with pin < 3



Pin:aw look at you think somebody is gonna help you? Ha! So fucking dramatic! Try crying NOBODY IS GONNA HEAR YOU! Trying to talk won't help! With your ugly raspy voice yeah the tape is probably tired of your voice!
Pin talked in a crazy voice but insulting flower,flower kept talking and talking louder and louder but it was no used and she kept mumbling and then she snap out of it she finally cried, she was trying

not to cry after some time pin grabbed a knife. After flower saw the knife she tried moving and moving begging for pin not doing it but she kept mumbling and couldn't talk and then flower finally took off the tape with her tongue it was hard and pin finally talked.

Pin:aw~look at you finally taking off the tape? Thinking something is gonna happen? No you won't make any changes! Ha how pathetic of you doing that Yk your just making your voice worse and worse not talking that so loud? And with your raspy voice will make it worse! Pin said in her pathetic voice.

Flower:..aw look at you,you just tied me bc you didn't want to fight with me-
Flower then forget that pin has a knife knowing that pin can just stab one of her petals and then she felt hopeless she couldn't fight or nothing she felt such a pussy not fighting with her but she couldn't do that or she will be in jail..

Pin:aww now look at you thinking what are you gonna say how dumb! You just think you're gonna get rid of me such a pussy ass bitch! You know that I would do it either way.
Flower:...you know I can send you to jail?
Pin:how talk with your friends saying omg pin just did that they won't even dare to bother!
Flower:you're right but-

Pin walks forward to flower and stabbed on of her petals and it was a huge scar that it could've almost fell off.

Flower:m-m-my petals WTF DID YOU DO PIN!? WTF DID I DID WRONG TOO YOU!
Pin:hmmm maybe something but I can't say it! You know secrets can't be told
Flower:..
Pin:tell anybody else and you'll regret it so easily..

Flower went silent and pin left after that she just left and flower was there not knowing what to do she was stuck bc there was a rope that she couldn't move and she didn't had her phone.

Flower:my petals they are fucking off..

Flower couldn't do anything for the past few hours she was hopeless and felt lightheaded felling that she would die there..until ruby found her how did she found flower? She went to the forest lollipop,and leafy were also there.
Ruby:OMG FLOWER ARE YOU OKAY?..

Leafy:FLOWER SPEAK ARE YOU OKAY?
Lollipop:OFC SHE'S FUCKING NOT GO FUCKING CALL THE DOCTOR..

Flower then tried to speak but couldn't and then fainted while ruby was calling the ambulance and she couldn't barely move

Flower then went to the doctor and was really brutally hurt with her petals almost felling off.

Lollipop:I'm so worried abt flower it's like losing somebody that you love and then there just gone..
Ruby:at least we found her if nit she could've just died in there with no help
Leafy:but the fuck did it tho?

Ruby:actually the way you said it I don't know tbh
Lollipop:WAIT WHAT IF IT WAS THE STALKER OF YOURS LEAFY?
Leafy:wait yeah but it couldn't be pin tho she's too nice!
Ruby:oh yeah um it couldn't be her!

Ruby laughed off but knowing damn well that she could've been hurt too and was afraid that pin could be her next target.

After some time flower woke up and nearly died but she lived "thankfully" but this would nit be the end knowing she can not tell anyone about it that pin did it if she did she would get some consequences and will actually die the next time if she says it to someone else but lollipop was relieve that flower was okay (ruby and leafy were too) but who is gone be the next target?..

School day:2

After flower,ruby,lollipop,and leafy had a trauma but especially flower had the worst one but will never forget

Leafy:hey!!
Ruby:oh hey leafy how are you rn?
Leafy:ugh nothing much but I feel bad for flower she really didn't deserve that
Ruby:yeah and had you hear the news?
Leafy:no? What is it?
Ruby:they haven't found the person who like stab flower!
Leafy:ong really? I thought the person did got caught?
Ruby:yeah! Anyways gtg I'll see you later when class is over !
Leafy:okay bye bye ruby!

Leafy pov: ugh I hate school butt the same time I like it but I can't believe that they haven't found the person?
Who literally almost killed flower but anyways ugh this class I hate this class so much but it's still fine tho..

Teacher:today guys we have a new seating chart! So you leafy go with lollipop! In the back row anyways you bubble! You go with Fanny in the second back row!

The teacher voice went silent and silent until lollipop talked

Lollipop:hey are you alright?
Leafy:oh yeah! I'm just um uh thinking yeah!

Lollipop then gave leafy a snack so she won't be that stressed out or paranoid that much as she can tall that leafy wasn't okay.
Leafy then saw that lollipop gave her a snack she than looked at lollipop and lollipop just gave a her a smile and leafy gave a smile back after some time the class ended leafy then told lollipop to come with her and ruby since flower wasn't here

Leafy:hey ruby! I brought lollipop along btw
Ruby: oh okay hey lollipop! How are you rn?
Lollipop:fuck off ruby and I'm doing very nice thank you
Ruby:you could've said it in a nice voice but okay

Ruby than rolled her eyes and saw pencil and match and saw they were approaching to her and she knew what are they gonna do if you're confused they're the most popular ones in high school know that flower is one and even lollipop so she couldn't do anything while flower was here but lollipop was here so then ruby then whispered to lollipop and said
Ruby:hey um can you help me out?
Lollipop:to what?
Ruby:do you see pencil and match? The most popular persons?
Lollipop:yeah so? Do you want me to protect you or what?
Ruby:um yeah! So can you please do it
Lollipop:ugh fine but you better pay me back..

Match and pencil was walking down to ruby until lollipop spoke

Lollipop:wtf do you want match?
Match:oh nothing! Can I just borrow Ruby please?
Lollipop:no ew that isn't gonna work dumbass go use your brain you're acting like you don't have one?
Pencil:um anyways bye bye lollipop! Have a good day I hope so!!

Pencil then took match hands and ran off so match won't get that mad but match did gave lollipop and ruby a death stare.

Match:wtf did I do with lollipop!? It's like she's so fucking overreacting
Pencil:it's fine match! Just calm down it's fine and hey you can have my chocolate!
Match:oh um thanks pencil!..

Match than blushed but then remembered they're just bffs not lovers it's like pencil didn't had a "crush" on her.

Meanwhile with flower..

Flower:ugh I can't do anything..it's my fucking fault that I didn't

fought back with pin I could've had a chance! But I can't tho and plus the worst part is that I can't speak up if I do then ill face consequences..
And why am I fucking so scare of pin? I'm supposed to be not scare of her..ugh I should stop overreacting and stop saying those things..

Meanwhile with ruby

Ruby:AHHHSHHUSBYUSHIN tysm!! Lollipop ily ily
Lollipop:...yeah yeah you're welcome.
Leafy:oh shit! Y'all guess what!!
Lollipop:what?
Ruby:omg what is it!!
Leafy:flower finally texted me!she um said that she'll come back next week!!

Ruby didn't expect that flower texted leafy knowing that pin can know since leafy is best friends with pin..and she can say
That flower would-

Pin:hii!! Leafy oh and you ruby..anyways how are you leafy!!<3
Leafy:oh heyyy!! Pin pin! And I'm doing fine! What abt you?
Pin:oh I'm doing great! Thanks for asking leafy!..
Leafy:anyways pin? Had you heard the news? And do you know what happened to flower?
Pin:oh no what happened? Did something happen with flower?

Leafy then talked what happened but pin did know what happened and she was just acting like she didn't do anything abt it especially with ruby she was pissed off that pin is just acting..but lollipop is the one who didn't know what happened

But how does ruby know? That pin is the victim the reason why is that flower talked with ruby but flower was planning to tell leafy but until pin kidnapped flower before saying anything so that's why ruby knows why.

After school was over leafy invited pin,lollipop,ruby,Firey,and coiny over but it was pins lucky day..

Leafy:oh hey guys!!! Wait flower?

Flower: shut up I'm just here bc I could not miss any sleepovers but anyways I need to take pills and I have some in my backpack so yeah.
Ruby:looks like someone is blushing!
Lollipop:shut up ruby! And I'm not blushing I'm just embarrassed yeah!
Ruby:cmon we all know you guys like eachother!
lollipop:fuck off ruby just go in

Leafy:anyways guys! I'm going to the store so who wants to come with me!

Leafy:oh and you pin are you gonna come?
Pin:nah I'm just gonna be here...

Flower:hey pin can I talk with you?
Pin:oh um yeah sure!....

Lollipop:ugh so I'm just gonna be here?
Flower:yeah I'm sorry but I'll be back!

Pin then grabbed flowers arm and went to the bathroom

Flower:Im fucking not scare of you bitch
Pin:oh yeah then why couldn't you fought back when I tied you up?
Flower:oh um fuck you but you will pay this AND IM FUCKING NOT SCARE OF YOU
Pin:oh yeah? We'll see and you think I'll ever be scared of you? Ha I'm not SO keep trying cuz that's not gonna work hun
Flower:SHUT THE HELL UP STOP BEING SO DEAF AND YOU FUCKNG ALREADY HEARD ME THAT IM NIT SCARE OF YOU KEEP TRYING AND I WONT I CAN FIGUT WITH YOU IF I CAN BUT I CANT.
pin:that's still considering as you being a big ass pussy.
Flower:ONG WTF IS WRONG WITH YOU!? WHAT HAPPENED YOU WERE SO NICE BUT WTF HAPPENED TO YOU!? ITS LIKE YIU HAVE A BIG ASS CRUSH WITH LEAFY AND YOU'RE ACTING SUCH A BABY OMG.

Pin then almost broke down but can't it's like she couldn't be nice happy or anything it's like someone trapped her and couldn't remember who gave her the potion in her mind but she doesn't think of her words and just say it but in her new body she can't even remember what happened but did remember in her old self but something is stopping her but she's too crazy for leafy</3

Flower:and I'm never gonna fucking forgive y-
Pin:STOP BEING SUCH A CRYBABY OMG I JUST DID ONE THING AND THATS IT AND YOU JUST DON'T WANT TO ADMIT THAT YOU'RE SO FUCKING SCARE OF ME and I am right,AND THE NEXT TIME YOU TALK WITH LEAFY YOU WILL DIE AND IM NIT JOKING YOU FUCKING BITCH..
Flower:...

Lollipop did heard some of the conversation but didn't heard that pin was the one who stabbed flower after they were done leafy came back with a lot of things and Firey coiny came too..

Pin couldn't stop thinking abt leafy and she was still so crazy for her..but little did she know leafy did liked her too but doesn't want to tell pin then she liked her but her best friends don't know that leafy has a crush on pin but soon she will tell her but for now she won't

Pin then grabbed coiny's hand while coiny was tripping a lot since pin was just walking like she had something

Coiny pov:it's been literally 10 mins and pin is not done talking with Firey or what? That kinda sounds weird but I hope there done since pin is walking ugh I can't wait to confess Firey! I was planning it like later and be with him<3
Pin pov:oh shit! I forgot about cleaning Firey's corpse..I need to do it fast so coiny won't get suspicious that I killed him or that I'm taking so long!

Coiny:hey pin? Are you done talking with Firey?
Pin:oh um yeah wait!

Coiny was getting inpatient waiting for pin stop talking with Firey..but he couldn't wait to confess him.

Stalking:4??

EKKK I CHANGED THE BOOK COVER ANYWAYS!!! This story will maybe include: gore, violence, and stalking
And so yeah !! (I hate the fucking quality)🤦 a short ass chapter☹
☹

After they came back something happened they had notifications and there was an alarm that went off on their phones the group then checked and found out firey died they were sad, especially for coiny but coiny was suspicious of pin tho.

Coiny: guys I think it's pin bc I was with him-
Flower then gave coiny a warning not to say it he was really confused but it looked like flower was very serious so then he didn't say it. Pin then got pissed with coiny and gave him a death stare but that was his only and once warning at least she wasn't in a bad mood.

After the sleepover was over all the objects went home even pin did too. But pin had plans for today and it was way worse than her other plans it wasn't killing coiny or anything but pin decided to stalk leafy all over social media and the reason why is bc she doesn't have all of her social media.

Pin: ugh it's not fucking fair that I don't have her account! And she gave them to her other best friends and not me..? Am I not her lover am I, not her crush, am I-

Pin then had that weird strange feeling and almost started a mental breakdown but didn't have one
Tho.
Pin pov: ugh stop thinking of these weird things their stupid! And I should stop being weird
Or whatever of these things!
Pin pov: ugh but this is all for leafy! It will be so worth it! Just wait until almost all of her friends are "gone" <3 and have all of her social

media!... but I should be careful and make her not think it's me who was stalking her..

Pin then made a new acc and tried finding leafy's accounts but then she found it
Pin: yes! finally, I found it wait what...?

Pin then found the most surprising thing ever founds out that leafy likes her?...
pin was so happy but it felt like it wasn't anything so then she went and try and try and after some time
She found all of them and then went undercover

And yeah blah blah blah 🍩

HELLPPPP SORRYY IF ITS TO SHORT I JUST FEEL KIKE ITS NOT THAT GOOD 🍩🍩🍩
SO THATS WHY I ENDED IT ANYWAYS!!! BYE !!!!

Today was a lucky day for pin.
Her love was becoming stronger and stronger she couldn't Control it any more meaning that she could become a crazy lover for leafy.
But flower does consider pin being a psychopath and many of pin's targets would too.
Anyways since Firey died coiny hasn't been motivated To do his favorite things anymore ever since firey died, it just doesn't feel the same
Anymore..?

Leafy: hey ruby can you give me some answers for the exam?
Ruby: oh shit there was an exam?
Leafy: yeah! Why?
Ruby: I didn't know there was an exam! I thought today was a slushy day...
Leafy:.....
Ruby: yeah sorry girly! Maybe ask ummm oh! Ask golfball! Maybe she has the answers!

Leafy: are you kidding me!? She's kinda and rude tbh
Plus! She won't even dare to give me the answer!! She will only give it to tennis ball!
Ruby: oh well damn idk sorry...!

After she talked to ruby she saw the time and class almost started. She ran to flower fast and found her.

Leafy: hey flower! Do you have the answers?

Flower: FUCK SORRY GIRLY.. I DIDN'T HAVE TIME TO WRITE THE ANSWERS..
SORRY!

leafy almost gave up until she
Found pin! Maybe she could tell pin if she had the answers.

Leafy: hey pin! Do you have the answers for the test?
Pin: oh um yeah sure leafy!.. here are the answers! <3
Leafy: oh thank you so much!
Pin: yeah no problem love- I-I-I-I mean! Leafy!...
Leafy: oh um okay...?

Pin pov: fuck fuck why did I fucking humiliate myself...

Teacher: *clears throat* hello students today we are
Doing an exam and this is half of your grade
And I am doing credits for this year..anyways there are rules that we cannot do.
Cheating, eating, and especially talking if I catch you talking you will be in trouble we cannot talk in this
Test that we are doing. Understand?

All the students nod their heads.

Leafy pov: yes yes! I finally have the answers! I hope I don't get this wrong...
Oh well...

After the students finished their test class ended and had a break.

Leafy: hi bubble! How are you?
Bubble: oi! You scared me anyways I'm doing fine!
Leafy: oh sorry anyway that's nice! Anyways do you want to hang out with flower, ruby, lollipop, and me?
Bubble: oi yeah sure!

Leafy: hey guys! I brought bubble with us!!
Flower: oh hi bubble-!

Snowball then bumped into flower on purpose and was talking with blocky, eraser, and pen.

Flower:...
Snowball: whoops sorry! I didn't mean to I didn't see you were there!
Flower.
Snowball then rolled his eyes
Flower: oh whoops do you need glasses?
Snowball: no? So I won't see your ugly face dumbass.
Flower:.. I'm not your damn mirror fucking dumbass now leave bitch!

Snowball didn't feel to fight today so he just left without saying anything.

Flower: anyways are y'all free I can call today lmao
Leafy: I can't sorry tho..
Ruby: you're a nerd leafy I'm like a baddie
Flower: HELP WHAT???...
Bubble: oh oh I can flower!!!
Flower: oh okay then! I'll give you my number later okay?
Bubble: oh okay anyways gtg I need to go um um somewhere so yeah!!
Flower: oh yeah no problem!!

The objects didn't know that pin was there and was hiding. she knew that she can't kill
Bubble bc she haves a recovery but she knows she can smash it.
And then after that, she can kill bubble but she knows she can do it faster bc bubbles are easy to pop.

Pin pov: wtf is she doing with leafy who does she think she can hang out with leafy??
And not me!-

Leafy: oh hey pin why are you hiding there?
Pin: oh! Um I was searching for something and I um um
Leafy: ah okay! Anyways want to go study at my place? If you want! No pressure if you don't want to!
Pin: oh of course! I would love to leafy.. < 3

After school was over pin and leafy went to leafy's place
Just to study..

Pin pov: ugh now I don't have a chance to kill bubble..

But at the same damn time, I want to be with leafy...
Leafy: hey pin so how are you?
Pin: oh um..lovely!...oh! I mean great
Leafy: oh okayyy anyways um oh! I met someone online
And I love them so much plus they live in the same place that I live!
Pin: good for. You!!

Pin: oh um leafy SHOUKD we invite bubble??
Leafy: oh no she can't come she's with flower!
Pin pov: shit this plan is not working..

Pin: oh okay..
Leafy: anyways pin! Let's. This work!
Pin: oh okay then..

After pin and leafy were studying pin was thinking about what to do with bubble
Since she's with flower. the pin is just leaving flower for a while..but soon she will be in pin's trap...

Pin pov: Yk what fuck I'm going to kill bubble either way! I'm not a fucking pussy!
Like bubble!..

Pin: hey I'll be brb I need to um go grab something fast in my house
Leafy: oh..um okay!..

After pin left leafy she was thinking abt pin she thought pin hated her bc ever since leafy met pin
She had feelings for her and was trying to keep it from herself. but little does she know she is gonna
See a big surprise that she would never see pin as the same person she knows.

Pin: where the fuck is bubble's recovery center ugh!
Wait what is that? Omg, it's bubble's recovery center.!

When pin found it. she then saw someone being there. she saw a big glance and it was woody.
She even had a better plan but her plan is killing bubble, not woody!

Pin: oh hey woody!

Pin said in her little pathetic voice

Wood: AH
(HELP I WAS LAUGHING SO HARD)

Pin: oh well then can you leave, please

Woody then said yes with his head he then left lmao.

Pin: finally I can kill bubble's recovery center!
She then grabbed her purse and then grabbed the bloody knife
it wasn't clean but who cares!

She then smashed it into little Pieces. without any hesitation, she didn't even care.
But little does she knows leafy is spying on her..but why?..

Pin: finally! Now leafy is gonna be with me FOREVER!
Nobody will EVER steal my leaf again

Pin then turn around and saw leafy being traumatized by how Pin acted..

Pin:l-l-leafy? What are you doing here?...
leafy: pin?..why did you do this?
Pin: well um..I was just doing it for you because-
Leafy: you thought I was leafy? Wake up
Cause this is all A DREAM WAKE THE FUCK UP PIN THIS IS ALL FAKE
YOU THOUGHT?? THIS IS ALL REAL THE ONLY FAKE THING IS YOU..

Pin then woke up and...she then saw.-

Words 1206□□□

A big surprise..:6

Lmao this chapter will have a lot of violence I think and a lot of cuss words ig well idk🤷

She then saw a knife on her hands with bloody hands all over her hand.
She then saw bubble dead on the floor but blood on her..but the big surprise was that..
Leafy was
There.

Leafy:pin..? WTF WHY DID YOU DO THIS TO BUBBLE??!!
Pin:b-but I didn't do this!
Leafy:" B-but I didn't do this!" THEN WHAT IS THIS??? A KNIFE ON YOU.
ALL BLOOD OVER YOU!??? AND YOU CAN SEE THAT YOU KILLED BUBBLE!
pin:oh WELL ITS NOT MY FUCKING FAULT THAT I DIDNT KNOW I WAS KILLING BUBBLE!
AND..

Pin then forgot that she has a knife on her hands.
She then looked at leafy while leafy was arguing about pin killing bubble.
But Leafy didn't notice until she saw pin doing a grin as she looked at her.

Leafy:w-w-wait what are you doing?
Pin:oh nothing! Maybe if you can see THAT IM HOLDING A FUCKING KNIFE

Pin then grabbed leafy's hand tightly
And Leafy tried to pull.

Leafy:LET ME GO YOU FUCKING BITCH!

pin:aww look AT YOU TRYING TO GO. STOP FUCKING TRYING
THE MORE YOU TRY THE MORE YOU'RE GONNA BE FUCKING
WEAK!
SO STOP TRYING PUSSY!

leafy:oh well maybe if you didn't grabbed my FUCKING hand THEN
MAYBE I WOULD'T PULL
DUMBASS!

pin then turned around and pushed leafy as hard as she can.
Leafy then got bruised but she was smart enough to hold on a tree
while hurt.

Leafy:YOU FUCKING ASSHOLE YOU TRIED TO KILL ME!
pin:THEN MAYBE IF YOU WERENT ANNOYING ME THEN MAYBE I
WOULD'VE DONE THIS.

pin then grabbed leafy as she was bruised enough.
She then took her to her hiding place or/spot.

Leafy pov: wtf! Why is pin acting like this I had never found pin
doing this!
I should've never been pin's friend!
Pin:we're here..
Leafy:where-?

Leafy then looked at the place and it looked there was some kind of
bloody
Objects and she saw a door that was almost next to the
Bloody objects.

Pin:go over there!
Pin said in a screaming voice

Leafy:no! And how about you stop being a bitch to me!
Pin: oh my fucking gosh GO OVER THERE YOU FUCKING LITTLE
DRAMATIC
BITCH!

leafy:I SAID NO AND LET ME THE FUCK GO!
pin:NO

leafy:WTF DID I DO TO YOU BITCH! YOU'RE ACTING SUCH A BITCH!

Pin:MAYBE IF YOU DIDNT!-

pin then grabbed then bloody knife and then leafy looked at her While she was backing off.

Pin:oh watch out hun!
Pin then grabbed the knife and threw it at leafy.
Then There was a lot of blood on leafy's body
Pin then saw leafy's blood and as she saw that she then grabbed a bag and grabbed leafy's
Blood with a cup.

pin then felt as she was feeling waking up as she was waking up or trying.

There was actually two personalities of
Pin.

One of them was a crazy lover psychopath for leafy.
And the other one is a very nice kind of pin.
But mostly it's the psychopath lover for leafy but sometimes the normal/kind pin
Would sometimes appear.

The normal pin then woke up and she felt free she was then happy with joy and
Excitement but after few minutes she then looked at her hand and saw a big pile of blood
Holding a bag of leafy's blood and seeing leafy's bones and a bloody unconscious leaf.

Pin then didn't know what happened as she was almost crying she then cried
Pile of tears and blood and grabbing leafy's hand as she was crying
She then called the ambulance and not wanting any of her friends to know that leafy was unconscious.

The ambulance then came and grabbed leafy as she was unconscious.

As pin was looking at leafy the same feeling came back as it was stronger
She then felt sharp pain in the head and after that the lover psychopath of leafy then came back.

As pin was looking at leafy again she then felt a sad feeling that she regretted it but it was the past
And really she couldn't travel back and couldn't redo it.

Pin then called leafy's friends and said that leafy was shot in the chest or stomach idk
Leafys' friends were super scared and worried about leafy and didn't want leafy's to die

But the one's who survived to pin knew that pin did it.

Leafy's friend then came and visited leafy and gave her some flowers Chocolate and leafy's other favorite things.

Flower:oh my fucking gosh? Guys! Bubble died too!
Lolllipop:w-wait? On the same day or what flower?
Flower:TODAY! and it was one hour before leafy was shot!

pin:omg FR?
Ruby:yes!
Pin:I'm so sorry for them I hope they get cured soon!
Flower:yeah..!

Flower and rubys pov:not pin being the god damn victim!
I hope one day that she gets caught but that is very possible.her Victims like me can't do anything about it!while her love for leafy is really getting stronger and stronger
As the week pass by..

Firey:ugh sorry anyways wtf happened to leafy!?
Flower:well um..leafy um she got shit my the chest I think and they're is a really
A low chance of her surviving it tho..
Firey:oh...
Lollipop:yeah I'm really sorry about that Firey. And if you want to cheer up

Do you want to grab some like icecream or something you like
So you can cheer up?

Firey:yeah sure ig..

Lollipop and Firey went somewhere to cheer Firey up.

Then after some few minutes the doctors then knocked and told the result

Knock knock*

Nurse:hey I have actually have some good news.leafy actually survived the shot of the
Knife but the bad news is that leafy has a hole on her chest and it looks kinda of big
So yeah and so leafy will stay in the hospital for some time and is going to return home in two two weeks
To make sure if she'll be okay after two weeks.

Flower: oh thank God thanks for saying that
Ruby:flower guess what!
Flower: what?
Ruby:leafy actually likes pin!

Pin:who the fuck said that?
Flower:omg did I ask? No so shut the fuck up-

Flower then realized that she said that and pin is a little stronger then flower
And flower can literally kick a 10 group of people
But pin? She can literally kill them!

Flower:oh um sorry ig?
Pin:sorry WDYM SORRY?
flower:Yk what I AM DONE IM FUCKING DONE I WAS ALWAYS IN YOUR SHADOW
AND YOU JUST TREATED ME ASS AND WHY ARE YOU SO FUCKING SCARED? ARE YOU SCARED THAT EVERYONE IS GONNA FUCKING FIND OUT YOU KILLED BUBBLE AND FIREY!?

KILLED BUBBLE!
flower:oh okay then WELL WHY IS BUBBLE DEAD NOW?
ruby then texted flower saying "girl don't say anything else! Or you'll be dead!"
Flower then respond with "i DONT give a fuck and I'm nit scared of pin! She's just a pathetic,dramatic, selfish, and a
Bitch! Why would I be scared of her? And plus she's just little!"
"Yeah but LEAFY GIT STABBED ON THE CHEST SHE CAN LITERALLY THROW A KNIFE AND STAB YOU!

Replied flower

Leafy:...why are you here? Did I invite you here no so GO!
pin:what the fuck do you mean
Leafy:ugh you know whta keep it.

Pin pov:such a hoe! Yk what ugh I can't do that!
I love her so much I'm just ugh!
Wait maybe I can tell golfball! But that may take a long time tho..
Either way I can convince her tho!..but it may take some time but so I need to make leafy
Forgive me! I can't let her know I hate her! So I need her to give me some trust first then after that I can

Convince her to come with me!

Pin: hey leafy I'm so sorry I hope you knew that I accidentally did that I was in a mood
And I'm saying this to you bc I love you I actually do as a friend and I hope you realize I'm very sorry
And to make it up I'm very sorry for what I did and you might say yeah but you stab me I know but
I didn't mean to tho and for this apologies, I'll start becoming a good person
And I hope you can forgive and if not it's fine but I'm sorry tho I hope you realize
That I thank you for being in my life and so I'm very sorry.

Leafy: ugh fine but this is only your last chance! And if you blow the other one

SORRY FOR THE SLOW UPDATES🕰️

After some weeks leafy finally got out of the hospital and felt better. She still had a hole on her chest but it became tiny. flower, pin, lollipop, and ruby were happy that
Leafy was fine

Ruby: hey leafy! Had you heard that Coiny is coming back to school?
After Firey
Died?
Leafy: wait what I thought he came back while I wasn't here?
Ruby: no he wasn't ready to come back yet but now he is!
Flower: ugh hey guys!
Ruby and Leafy: AHHH

Ruby: well it isn't my or Leafy's fault!
Flower: yuh whatever anyways what are y'all talking about?

Flower:ohhh yeah I heard it no wonder why Leafy doesn't know! Ha

(Flower said in a joking tone.)

Leafy: shut up flower! Anyways what were you saying again?
Ruby: oh! So he wasn't ready to come back while you were in the hospital
So yeah.
Leafy: oh my gosh what if- um never mind!
Ruby: oh okay then anyways class is about to start so I'm going to leave bye guys!
Flower: oh okay then bye Ruby!

Flower: so anyways since we are in the same class. Oh and did you know that Coiny is coming back
In a week?
Leafy: no? And he's coming back in a week?
Flower: yeah anyways cmon!

Flower then hold Leafy's hand and dragged her while going to class.

Leafy: WOAH SLOW DOWN!!!
Flower: shut up anyways we are almost there sooooooooo yeah

Flower and Leafy then enter the class and saw Pin seating next to Flower in Leafy's seat.

Flower pov: ugh why is this bitch here? Yk what I'm going to stop looking at her..

Pin: hey flower!...
Flower: oh hey um what do you want?

Pin then grabbed Flower's hands and flowers head was close to Pin's mouth pin then whispered
"You better fucking watch out bitch. just because I hurt Leafy doesn't mean I hate her..and you know that you're
Almost wasting your last chance..

Pin then let go of flower harsh and got out of Leafy's seat and sat in her seat

Leafy: so what did Pin say?
Flower: oh nothing!...
Leafy: come on!
Flower: no
Leafy: ok

Flower: this class is way more boring then you
Leafy: shut the hell up

After class was over flower apologize to Leafy and she forgave her.

Leafy: Wait aren't you and Lollipop dating?
Flower: no?

Ruby: girl you look like you're dating her.
Flower: plus who told you that?
Leafy: well it wasn't from me
Ruby: girl Yk pen? And blocky
Flower: yeah?
Ruby: finds out there dating like it's totally not cute it's rather eh
Leafy: oh em gee FR?
Ruby: ya
Leafy: omg plus since you probably know everything abt objects/ people
How is Lollipop?
Ruby: omg I forgot abt her even tho Flower talks lollipop all day.
Flower: hey maybe we shouldn't talk abt Lollipop
Ruby: ugh fine but one thing she used to date golfball!
Leafy: no way?

Flower then irrupted ruby

Flower: hey ice cube! Your outfit is so cute where did you even buy it?
Ice cube: oh um I got it from Christmas but thanks!

Ice cube then left.

Flower then turn around to look at ruby and leafy.

Flower: it looks so hideous!
Ruby: such a total backstabbing bitch Yk what did ice cube say?
Flower: what?
Ruby: I once heard her talking to Book and told you that you're so ugly!
And a slut..!
Flower: no way that's a total bitch! And a hoe
Leafy: omg guys look at pin!
Flower: girl didn't she try to kill you?
Leafy: yeah but she's still pretty!
Ruby: ugh leafy you need to learn what's an enemy..
Leafy: hey! At least I get bitches
Flower: you wish

Flower said in a jokingly way

Pin pov: ugh what a total bitches I can't even kill Flower but Yk what? I need to try talking with
Golfball and make her do a liquid drink to make leafy's lose a part of her memory.

Pin then tried finding golfball while Leafy, Ruby, and Flower were talking

Pin: hey golfball can you maybe help me with something?

Golf ball then looked at pin and glared at her

Golfball:what no make it yourself!
Pin:and how it's not like I have those nerdy whatever things.
Golfball:well that's on you
Pin:how is that "on me"? I literally told you make me something
Golfball:well idc

Pin then grabbed golfball and pulled her close.

Pin:listen to me I'm not fucking playing with you and what I say you need to do it
Bitch.
Golfball:so I'm not going to even do it!
Pin:okay then.I can kill tennis ball-
Golfball: are you maniac or smth but fine! It's only this time or whatever.

Golfball had a crush on tennis ball and maybe someone else but she mainly had a crush on
Tennis ball and would do anything for her well maybe.
But someone killing tennis ball?
She would probably have some mental health problems.
Pin? She would be surprised pin has "always" been nice,sweet,and probably stubborn
And if pin did that to tennis they would be enemies or maybe arch.

Back to the story.

Pin:thanks ig but you better help me after school.

Golfball:yeah you better say that bc you literally
Harassed me or threatened or whatever to me!
Pin:stop being a fucking baby. You better be happy I said it was cool Bitch.

Golfball:whatever

Golfball then made a kind off machine potion? It was kinda hard to

Describe it but who cares?
Well I mean..it was pretty cool but it's all about leafy!
Not some dumb shit machine.

Golfball:it's almost ready but this is kinda risky because since
It's almost losing a part of memory.

But I'm not sure if Leafy will take it or not but...it might take some time to

Pin then got out of bed and grab her phone to text Leafy.

"Hey leafy! What are you doing < 3?
"oh hey pin pin and I'm doing nothing really so yeah"
"Ohh that's nice. And hey can I go to your place later?"
"Oh ummm sure yeah that's fine!"
"Ok ml < 3"

Meanwhile with leafy

Leafy pov:"ml"? She never told me that and it's kinda odd for her doing that
But I don't mind really..

(She does and got flustered)
I only added that bc this is a leafy x pin book

Ok meanwhile with flower???
(Yes flower ok)🤦

Flower:shit shit what the fuck is this? A note!?

The note said "hey flower ima be back so dw < 3"
By lollipop

As you can see or didn't know flower has a crush on lollipop and

maybe..
They have been dating??

Flower pov: ugh no wonder she wasn't there when I woke up but I
Probably need to work today so ill text ruby and leafy possibly but
really I don't know how does pin
Knows I'm texting with-

OK THIS ISNT ABOUT FLOWER SO MEANWHILE WITH PIN 👄‼️

Leafy's pov:oh I guess the food is here now!
Leafy:hey pin the food is here!
Pin:oh okay!

Pins pov:finally it's time to use the potion on her!
But not a lot since I'm not that evil..!

(This is only the start lmao)

Leafy:hey pin I'm going to the bathroom I'll be back afterwards.

Pin then said ok

Pins pov:I really need to be careful with the foods then if I'm really
Going to lose leafy's part memory..

Pin then grab the potion and pour a bit of liquid on the food
But it becomes dry afterwards.

Leafy:im back pin pin! Ok now we should eat

Leafy then grabbed the food and took bites but it wasn't
Really working for **now**

Pin:well now I should go get heading to home soon you know?
Leafy:awww come on we can have a sleepover? Together
Pin:fine....but no promises I'll think about it tho
Leafy:okay then

Leafy then started to feel the kick and was
A bit powerful then it was supposed to be.

Leafy then collapsed on the floor pin really didn't thought it was going
To affect that much.

Pin pov:shit shit I didn't thought it was going to affect a lot

Pin then called 911 and you thought she would go to jail?
So pathetic! She always can get it **away**.

Pins pov:do I really have to text flower? And everyone to make
Sure that leafy is fine...?

Pin then texted leafy's friends/bff that leafy fainted and collapsed
Hopefully she isn't in a *coma*.

Lollipop pov: oh a message from pin? What does that bitch
Wants?

Lollipop then open the text and said

"Hey lollipop as much I don't really wanna talk to you
Leafy fainted and collapsed while I was with her so erm yeah."

Lollipops pov again:pin? Doing that? To leafy?
THIS FUCKING PIN SHE KILLED LEAFY!???

Lollipop then texted "okay"

ALSO THINK OF LOLLIPOP BEING WORRY NOT DRY

All of leafy's friend came and saw her on the bed unconscious.
As they saw her they then stared at pin?

Pins pov:why the fuck are they all looking at me? Like if I

Did something wrong!? Like it's not my fault that she fainted..
Is it?

Pin:ok why the fuck are you guys staring at me? That's
So weird like what?

Lollipop then snapped

Lollipop:oh!? So you're acting you did nothing wrong like you could've killed
Leafy? Bitch it's not "oh it's just a accident"!??
Stop acting we all know
Pin.

Pin then felt something in her throat?
What was *all about that?*

Pin:ok fine you guys caught me! I FUCKING DONT CARE. LOLLIPOP LISTEN STOP BEING THE FUCKING MAIN CHARACTER ITS NOT "omg I'm a hero and I'll save everyone" BITCH NOBODY CARES
EVEN IF I DID ILL STILL WOULDNT .

Pin then whispered to lollipop
"Watch out hun it's your turn now < 3 aww
Could've saved that chance but no sucks to be you now.
And also you'll see something your going to regret forever and I hope I see your little
Ass in hell < 3 "

Lollipop then looked at her and gave her a glare

Hmph? Now let's see what happens next? will lollipop save her ass or not?
Who knows?

Will lollipop use someone as a sacrifice?...

What will flowers reaction be when she hears this??
Will flower break up with lollipop or stay?

And what about leafy? Will she even survive or not?

Anyways see you soon! < 3
bubble :yeah just like Firey said but I rlly hope that you feel better!
Pin:bye bye leafy! It was nice seeing you **again**

Leafy:w-wait what pin you aren't dead-

Leafy then woke up panting and being horrified as she just saw someone being eaten alive,
thinking what just happened..
Leafy pov:w-w-wasn't b-b-bubble? dead and Firey how is it real? It's..AUGH! I just don't remember there name' that much..

Leafy then heard a knock from coiny!?

Leafy:w-w-who are you?

As she tilted her head being confuse, not knowing who it was and Being horrified if it's a dream again.

Coiny:hey leafy..It's me coiny you might not remember me that much but um
I hope you feel better soon,
Leafy: oh..thank you c-coin
Coiny:coiny!

Leafy did seem confused about a coin being here and not knowing who was it but
Later she'll know.

Pin:what do you mean!! that I'm going to kill lollipop?!
Flower:"what do you mean that I'm going to kill lollipop!!" Pin Stop acting. I and lollipop know that you're gonna kill her
Pin:whatever, just to make you know I'll make her die in the most painful way
Just to make you suffer more-
Flower:who?
Pin:lollipop-
Flower:asked, exactly you're just making a fool out of yourself pin? Being crazy over
Leafy? Like you can just ask her out.
Pin:fuck off flower, I don't know why are you arguing with me, and it's pretty shocking
That you only came here to save lollipop and not leafy?
Flower:are you actually dumb?, Pin I don't what happened to you. But

you're just acting like a completely , obsessive, asshole, over Leafy. And yeah maybe you're right, but at least I'm not a killer who literally kills people
Over a leaf?

Pin:...
Flower: exactly I don't know what's going on with you, Pin, but whoever did this to you
Or you did this to yourself, I hope you get better.

Flower then walked away, and slamming the door right behind her making pin
Furious and shaken

Pin: oh.

Pin was then left being shaken and...**crying?**
Tears were rolling down every few seconds.

As pin was having a meltdown. She then felt being a completely asshole for everything
She has done. flower's word we're going through her head.
And maybe it was true?

Pin wanted to sort things out and wanted to apologize to flower. So she apologized. But it wasn't that easy since flower basically blocked her from everything
Expect for iMessage? Might sound stupid how flower gave her number to pin but hey
They used to be friends before the events. So pin texted her a genuine apology.

(I am not writing the apology pin wrote😓)

Flower then texted back and the only word was "oh."
"Hey I really understand if you don't forgive me I just wanted to Apologize for what I did and the mistakes I have done."

Pin then gets left on read for a couple hours until flower texted back "I know you're trying to apologize but all the things you have done, Can't be fixed. But I just want to tell you that I really appreciate the

genuine apology
And trying to fix things."

Pin then grinned at the text. Laughing at how flower could be so easygoing.

tricked:11 pt1

Ruby:hey flower!
Flower:oh hey ruby?
As Ruby question in her head why did flower responded
In a rude and ignorant way, and quickly told her mind why is she talking to herself.
Till she saw pin being with flower? Flower being with pin?

Ruby:oh hey pin?
Pin then looked at ruby giving her a nasty stare. knowing she's a sensitive
Person, she can make her and flower stop being friends just to
Ruin both of there lives. Who knows why she (pin) despise them so much?

pin:hey ruby! Sorry if I gave you a nasty stare at the start! I accidentally
Gave it to the wrong person since YOU came. But no worries.

Ruby:oh no it's fine!! But may I ask why are you with flower?
Pin:ehh we made up! What are you jealous?

Pin then faked smiled at ruby as she was glaring at her

Ruby:oh, it's nothing I have no problem with you pin!! (She does 🖕)
Pin:mhmm anyways bye bye!

Pin then signed to ruby to leave so she can talk to her "friend" flower.

Ruby then left with a lump with her throat.she felt tears coming in
As her eyes were starting to tear up? She never had felt this much
Anger and jealousy inside of her before. Did she really hated pin that much?

Leafy's pov:I was walking around in the hallways scrolling through my playlist on
My phone, I looked up to see ruby putting her head down and tears coming out of her eyes.

Ruby then realized that leafy was looking at her which made ruby run away.
She didn't want someone to comfort her right now, and needed time to Finally to
Talk to someone like leafy.

But good thing leafy didn't ran towards ruby.

Ruby's pov:I locked myself to a empty classroom where people wouldn't know where was I.
Obviously I wouldn't kill myself for some jealousy I have right?..
Maybe I'm overreacting? Right I'm just too sensitive..I wished that I didn't got
jealous easily. I hate pin, I hate her with all my guts. But I'm such a coward. I can't even defend myself
Without being hurt or sensitive. Maybe I should just stop being friends with flower.
Then I could be happy without pin ruining us. But that sounds to controlling if I said to flower
"I won't be friends with you unless you stop being with pin" cause who am I to control someone's friendship/relationship?
At the end of the day I should just deal with it because I can't do anything about it.

Rubys pov: I started to cry tears kept coming out of my eyes, my eyes were hurting when I kept rubbing it with my wrist.
my eyes are being puffy and red. It hurts so bad but can't stop.

Few hours later

The bell rang, Ruby was still asleep, but she didn't wake up even though
It was really loud.

Lollipop:I didn't see ruby at class..I wonder where she is. I mean I am friends with her but not best friends

Technically, but like you know?
Gelatin:oh leafy told me that she saw ruby crying but didn't do anything about it since it seemed
That ruby didn't want to talk to someone right now or comfort her tho, also I hadn't saw ruby too.
And also did you know that flower and pin are friends now?
Lollipop:thats quite surprising seeing flower with pin once?
Gelatin:i don't know but like pin did apologize to flower recently.
Lollipop:how do you even know that?

It's been a while since school was over ruby was still sleeping.
Though when she woke up she thought she was alone excepting no one else being there.

Rubys pov:ugh...I feel horrible! My back hurts while laying down on a desk.
It's so sore....
Ruby:what Time is it...? Oh...it's 6:30 pm At least the sun is still there..
But where's my phone?

I panicked but who would be in here? It's a place where everyone can't find this classroom expect for me..?
Unless.. I inhaled and smelt rotting,.? When I came in this classroom it didn't smelt bad.
I turned my head seeing blood everywhere checking if it wasn't me who was bleeding, but
It wasn't me. I turned my head seeing a body of corpse.
there was blood everyone covering there whole bones.
I was sure I'll remember this moment because when I checked it was.

What's sup guys😎😎😎□□□😼🦊□🎱 hit that like button for more parts and

Tricked:12 pt 2

pin:I know! That's what I said pin giggled as her eyes were almost closed by the laughter , the light reflected half of her face. She looked pretty, her cheeks being risen up by the giggle.Pin's hair looked shiny it was well cared no frizz,split ends,or anything, you couldn't imagine that there was no damaged to her hair. With the perfect body she had, everybody dreamed about having pins body since it was well fitted.

Flower:wanna go to a picnic with me?
Pin:of course!! At what time?
Flower: maybe around 5-6 pm?
Pin: yeah! Well..bye then!! Maybe text ruby when you have the chance or something you might regret later if you don't but just saying since ruby was pretty sad when I was with you.
Flower:ohhh yeah sure I'll do that?

Flower and pin hugged each other and smiled as one of them were taller. finally, they broke the
Hug, and both waved at each other goodbyes

Pin then smiled as she was walking with her black hair with red highlights
Covering her face looking down. She was especially happy when flower gave her a bracelet.
It was pretty.

Pin then arrived at her house with her backpack almost ready to fall down
On a sore shoulder. She then ran to her room and jumped on the bed as it was
Bouncing with her stomach laying down on it. She then flipped over with her back laying
Down now.

She was tired from the long day with some homework in her backpack but, had to
Go with flower. She then Felt her eyes being heavy as she tried to open them every seconds.
She then closed her eyes and eventually fell asleep.

Pin then woke up and realized that she's been sleeping for two hours.
Pin then got up
To see what time it was and realized it was 5 pm almost one more hour before the picnic,
She then walked to the bathroom and began to shower. After she was done showering she then had to
Do everythinggggg To look good.

Few mins later

Pin:sorry I was late, I kind of slept in!
Flower:no worries! But I brought a lotttt of food and things we can fan girl about!!
Pin:aren't you gay
Flower:uhmmmmmmmmmmmmmmmm
m,
Wellllllllllllllll.....that's different!! That's for a other story.
Pin:uh huh...wellll!! Anyways I brought you some chocolate!

Pin then handed the chocolate to flower

Flower:omg! You brought my favorite chocolate?? Thank you.
Pin:yeah no problem! That's for the things I did..and I know you kind of forgive me
So yeah!
Flower:hey that was the past! Almost three months ago but I hope you
Change a bit.

They then started to gossip about people and laugh about things They did when they were children's. The sun then started to set down And eventually the girls started to get ready to leave until.

Pin:hey! Wanna go to school with me?
Flower:what? It's not even open until the morning?

Pin:yeahhh but I heard ruby wanted me to pick her up since she accidentally
Slept at school.
Flower:sure then!

Ruby:flower?...

Ruby then turned around to see pin sitting on a desk looking at ruby with her legs being crossed

Pin:what?
Ruby:wh-what do you mean what? You killed my best friend?
Pin:was she? She ignored you while I was with you?
Ruby:yeah but..!
Pin:she only texted you because I told you too. She wasn't very Happy. Plus, you were the only one trying to talk to her, but do you realize
That she wasn't even trying to?

Also not anymore since she got killed by someone.
Ruby:it was obviously you!
Pin: did I though??
Ruby:i don't know, you tell me?
Pin:then sucks to suck, cause I didn't really!
Ruby:why would I trust someone like you!?
Pin:I don't know? Who would it be??? Let's see..

Ruby then grabbed the knife from pin and proceeded to kill her and when she almost
Did, the police busted the door, when Ruby was on top of pin while holding the knife inches
Away from stabbing her chest.

BLAH BLAH BLAH

Ruby then got handcuffed while pin was looking at her,she then looked at flower and she smiled
Whole Looking at her

"Yup we'll take her there" (STOPPPP)

Few hours later

Flower:ts funny how they believed that I got stabbed!
Pin:right?

Pins pov:ugh I can't stand with her...THERES obviously something to do without getting
Caught...
Leafy:flower!
Pins pov:great..

Leafy:omg what happen to flower??
Pin:u-u-um she got stabbed from what I heard
Pin said quietly while being flustered talking to leafy
Leafy:....did you got involved with it?
Pin:Half of it. ruby tried to stab me with a knife and the police came and saw
Her, resulting of getting arrested.

Leafy:I'm happy you're still alive!! But I feel so bad for flower tho.
Pin:thanks,don't worry me too. I just hope som

Anyways leafy can you do me a favor?
Leafy:sure!
Pin: can you go outside for a bit?
Leafy:yeah??

Pin: you thought i would actually be your friend?
Flower:what?
Pin then grabbed flower holding her shoulders

"I faked it." She said whispering to her ear, flower felt shiver in her ears, as she
Grabbed her ear covering it while pin was staring at her.
"I'm just kidding I know my pranks are scary" pin said laughing while flower
Giggled awkwardly.

"bye then." Pin said walking off, her footsteps echoing the hallway. It was pure silence, flower was just standing
not moving at all and overthinking what had pin said too her. Did

she really meant
It? Or was it just a joke?, after a few seconds of silence flower then heard leafy's voice.

Flower then locked the door so leafy wouldn't come in and think that flower wasn't actually dead
Leafy then tried to open the door several times but failed, after a few more attempts she gave
Up wondering why did pin went to the classroom where flower got "killed"

UPDATEEEE

byeee I know I'm onky getting some reads since the lack of MOTIVATION and not having any good STORY ideas 💔 which is going to result in low readings but UTs wtv .. lol...heh...:)

I do NOT know if I had mentioned in this story but, I am not going to do SMUT or NSFW since Purposely it's going to (for me) ruin the story plot and which is why I am not doing it and ASWELL I do not Know how to write smut, even if I did I will still think it would be cringe in my OPINION and I am not wasting my Time writing smut on a OBJECT cus BYEE

(my art which in my au is what all the characters look like CURRENTLY)

Also this is like a pose reference so YES it is traced I do not draw this GOOD 😂😂💔💔
